EurIPS • Copenhagen

EurIPS: Present NeurIPS papers in Europe

December 3-5, 2025

Welcome to EurIPS – a presentation venue in Europe endorsed by NeurIPS, taking place in Copenhagen in December 2025.

EurIPS is a presentation venue for accepted NeurIPS papers. We provide a community-driven venue in Europe to share and discuss the latest advances in machine learning research. This is a new initiative which is endorsed by [NeurIPS](#), [Nordic AIR](#) and is co-developed by [ELLIS](#).

EurIPS is Europe's unique opportunity to host the world's leading artificial intelligence conference, uniting top researchers and innovative companies.

The conference is hosted at Bella Center in Copenhagen, Denmark. It features three days of keynotes, paper presentations and poster sessions on December 3-5, 2025. This is followed by two days of community-organized workshops on Dec. 6-7, 2025.

The event offers unparalleled visibility and networking, with attendees from academia and industry.

The organiser invites you to be part of this landmark gathering, offering unique opportunities to engage with the AI community, showcase your brand to a global audience, and help shape the success of EurIPS in Copenhagen.

Who attends?

AI Researchers and Scientists working at the forefront of machine learning, data science, and neural information processing.

Professors and Academic Leaders in artificial intelligence and related disciplines.

Industry Experts and Practitioners driving innovation in applied AI.

Graduate Students and PhD Candidates developing the next generation of AI breakthroughs.

Policymakers and Regulatory Leaders shaping the future of AI development and responsible deployment.

Investors and Entrepreneurs exploring emerging technologies and start-up opportunities.

Key Decision-Makers from technology companies, research institutions, and public organizations.

Why Exhibit?

Showcase and Promote: Present your cutting-edge AI solutions, research, and products to an international network of experts and innovators.

Engage: Connect directly with the brightest minds and rising talent in artificial intelligence.

Discover New Opportunities: Build strategic partnerships to explore, test, and scale transformative technologies.

Foster Collaboration: Cultivate meaningful interactions and exchange ideas with leaders shaping the future of AI.

Advance the Field of AI: Be part of solving complex, high-impact challenges and contributing to the responsible progress of artificial intelligence

Organisers

General chairs

Søren Hauberg

Technical University of Denmark

Aasa Feragen

Technical University of Denmark and AI Pioneer Center

Bernhard Schölkopf

Max Planck Institute for Intelligent Systems

Serge Belongie

University of Copenhagen and AI Pioneer Center

Program chairs

Philip Torr

University of Oxford

Chloe-Agathe Azencott

Mines Paris-PSL, Institut Curie and INSERM

Claire Vernade

University of Tübingen

Kristian Kersting

Technical University of Darmstadt

Samuel Kaski

Alto University and University of Manchester

Søren Hauberg

Technical University of Denmark

Workshop chairs

Jes Frellsen

Technical University of Denmark

Manuel Gomez Rodriguez

Max Planck Institute of Software Systems

Yingzhen Li

Imperial College London

Dan Witzner Hansen

IT University of Copenhagen

Affinity chairs

Stella Graßhof

IT University of Denmark

Raghavendra Selvan

University of Copenhagen

Edwige Cyffers

Institute of Science and Technology Austria

Sponsorship chairs

Wouter Boomsma

University of Copenhagen

Simon Olsson

Chalmers University of Technology

Robert Jenssen

The Arctic University of Norway

Jan-Willem van de Meent

University of Amsterdam

Jonas Peters

ETH Zurich

Robert Peharz

TU Graz

Pierre-Alexandre Mattei

Inria, Université Côte d'Azur

Linus Bleistein

Inria Montpellier

Theodoros Evgeniou

INSEAD

Web chair

Yevgen Zainchkovskyy

Technical University of Denmark

Sponsor Opportunities

Platinum sponsorship

€ 25.000

The Platinum sponsorship includes:

- 20 sqm booth in premium location
- 7 Full registrations
- Sponsor logo on the Conference welcome slides and break slides
- Acknowledgement in all official Conference materials as the Platinum Partner, including sponsor's logo with link to its website
- Organization profile in the conference website

Gold sponsorship

€ 20.000

The Platinum sponsorship includes:

- 12 sqm booth
- 4 Full registrations
- Sponsor logo on the Conference welcome slides and break slides
- Acknowledgement in all official Conference materials as Gold Partner, including sponsor's logo with link to its website
- Organization profile in the conference website

Silver sponsorship

€ 10.000

The Platinum sponsorship includes:

- 9 sqm booth
- 2 Full registrations
- Sponsor logo on the Conference welcome slides and break slides
- Acknowledgement in all official Conference materials as the Silver Partner, including sponsor's logo with link to its website
- Organization profile in the conference website

Bronze sponsorship

€ 3.000

The Bronze sponsorship includes:

- 1 table with two chairs in a shared space
- 1 full registration
- Sponsor logo on the Conference welcome slides and break slides

Startup sponsorship

€ 1.000

The Startup sponsorship includes:

- Table in dedicated space: "Startup Village"
- 1 full registration

Next generation of entrepreneurs are invited to join the conference.

Please note that this sponsorship can only be granted upon approval and is limited.

Other sponsorships and branding opportunities

We would like to offer sponsorship opportunities for catering options, such as food trucks and similar services.

We encourage sponsors to support the congress by contributing to these arrangements.

Furthermore branding opportunities will also be available. Please contact the congress secretariat for further information.
